Samsung Electronics Rus Company thus expresses gratitude to Ventra agency for assistance in introduction of telecom merchandising project. This agency was involved in personnel search, recruiting and maintenance of the Project staff.

Within short period of time Ventra managed to provide local staff for the regional network in the following cities: Barnaul, Vladivostok, Ekaterinburg, Izhevsk, Magnitogorsk, Moscow, Naberezhnye Chelny, Novokuznetsk, Ryazan', Saransk, Tula, Ulan-Ude, Ulyanovsk, Ufa, Cheboksary, Chelyabinsk, Yaroslavl'. Right now over 100 employees are involved in the activity, while all HR issues for this team are managed by Ventra office.

We highly appreciate Ventra's accuracy, high speed of data and document processing, as well as understanding of employer's needs and high loyalty to the customer.

We thus recommend Ventra as a very reliable partner in personnel search, recruiting and maintenance.
